"21 Day Prayer" Small Group Questions:

1. What was Daniel doing when he received this vision – 10:2-3?
2. Where was Daniel and when was it that he saw the vision – 10:4?
3. Commentators divide over the identity of this certain man in V5. Some say this is Jesus, noting that the description is remarkably like what John saw in Revelation 1:12-16. Compare this with Dan 10:4-6. Think: What would such clothing indicate?
4. How is the man himself described – 10:6? (Think: What other visions in the Bible involved someone with similar appearance?)
5. Why did the men who were with Daniel not see the vision like he did – 10:7? (Think: what does this tell you about the vision?)
6. How was Daniel himself affected by the man's appearance – 10:8? (Think: What other visions in the Bible had similar effects on people?)
7. How did the man address Daniel in 10:11?
8. What reason did the man give for coming to Daniel – 10:12?
9. What reason did the man give why he had not come sooner – 10:13?
10. Who helped the man, and where else do we read about the one who helped him?
11. How does this true story encourage you?
