

WEEK 34: WORSHIP DISCUSSION GUIDE

1. What was your impression of worship growing up? What did you assume it meant?
2. Describe one of the most meaningful worship experiences you've had. What do you think made it so special?
3. What is your favorite way to worship God outside of a worship service? Search for a summary of Gary Thomas's Sacred Pathways for ideas of ways to worship outside of song and praise.
4. What do you think genuine worship should be like?
5. What do you think about the idea that worship leads to fear more than joy or peace?
6. How would it affect you if you worshiped "inside out" (from your spirit through your body) rather than outside in (from a body posture trying to move your spirit)?
7. How have you experienced true worship through service to others?
8. What aspect of worship do you feel called to grow? Help each other identify ways to grow that area.

ACTION STEPS

Discuss within the group how in the next week you will practice your personal style of worship. Be specific: where, when, how long, etc.
