

WEEK 46: UNITY DISCUSSION GUIDE

1. Share a time when you experienced the church working across lines (ethnic, economic, political, or doctrinal) to accomplish a mission together.
2. Talk about a time when you were left out of a group. How did this impact you?
3. Has there ever been a time when you were intentional to include someone else in a group? Why did you make the decision to go out of your way to include them? What do you think the impact was?
4. Why is unity in the church such a powerful apologetic for people outside the church?
5. How is relational unity different than organizational unity? What difference could this make for how we try to achieve unity among Christians?
6. Do you think that all Christians can become unified? Why or why not?
7. Share one or two of your spiritual gifts with the group.
8. Share one or two of your natural skills with the group.
9. Brainstorm together how these natural gifts and spiritual gifts could be used to advance the mission (and hence unity) of the church.

ACTION STEP

Create a plan for each group member to use a natural gift to serve someone this week, this can be individually or as a group.
