

WEEK 50: SCRIPTURE DISCUSSION GUIDE

3. Describe your experience with the Bible.
4. Talk about one book or section of the Bible you have read that you got the most out of.
5. Share one book or section of the Bible you think you would benefit from reading.
6. What tips do you have for reading the Bible or methods for studying the Bible?
7. Was there a time when a memorized verse came to mind in a moment of need or teaching? How did it help? What was the experience like?
8. Group Leader: Walk your group through the steps of downloading the YouVersion app, choose a translation to read, and listen to a passage. For those interested in choosing a Bible reading plan (individually) help them with this process.

ACTION STEP

Discuss which area of these action steps you plan to execute or strengthen:

- Purchase (or pull out) a Bible you'll read.
- Identify a regular place and time to read your Bible throughout the week (aim for at least four days).
- Choose a reading plan; it could cover anywhere from one book to the whole Bible.
- Find a blank journal to record three things as you read: (1) any questions you have about each reading; (2) one thing that stands out to you from each reading; and (3) one thing you'll do in response to each reading and applying its teaching to your life (perhaps include a verse to memorize).
