

WEEK 6: MOSES DISCUSSION GUIDE

1. Who is the most famous person you ever met? What was it like to be in the presence of “greatness”?
2. Moses was delivered from Pharaoh who was killing all the newborn Hebrew babies. Jesus and his family fled to Egypt after he was born. How are the two events similar?
3. If shadows are never clear and discernable can Moses and his role be fully understood?
4. Why did God give the Law to only one nation?
5. Why did we have the Law if Jesus was always the plan? Why not just give us Jesus first?
6. Why do you suppose it was so important to show Jesus as superior to Moses in the New Testament?
7. If Moses represented the Law, did Jesus complete the Law? How exactly did he do this?
8. Read 2 Corinthians 3:1-6 and answer how the gift of the Holy Spirit changes the role of the Law?
9. In Exodus 34:29-35 Moses covers up the glory of God with a veil so that the people cannot completely see it, but in the Gospels, Jesus tears the veil of the temple that blocks God’s presence from his people. What do we now have because the veil is gone that they did not?
10. How has this week’s study impacted the way you read the Old Testament?

ACTION STEPS

1. Ask someone to name a great figure in history that comes to mind (i.e. politically, socially, and religiously). What made them so great? After he or she answers, explain why you see Jesus as the greatest in history.
2. Reflect on a time in your life when things were “veiled” and then made clear. What were the major factors that changed and how did God move them? Share this with someone to encourage their journey.
